Hi Lance --

I met with Kifano Jordan and reviewed your letter. He agrees that the prior cases you mention were unrelated to this case, however, he indicated that he had retained you following the April 21 2018 shooting, after you discussed with him the existence of an I-Card held by the NYPD. Does any of this sound familiar? Please let me know as I am in the process of putting together our letter.

Thanks,

Jeff
